

FIG. 1

FIG. 1

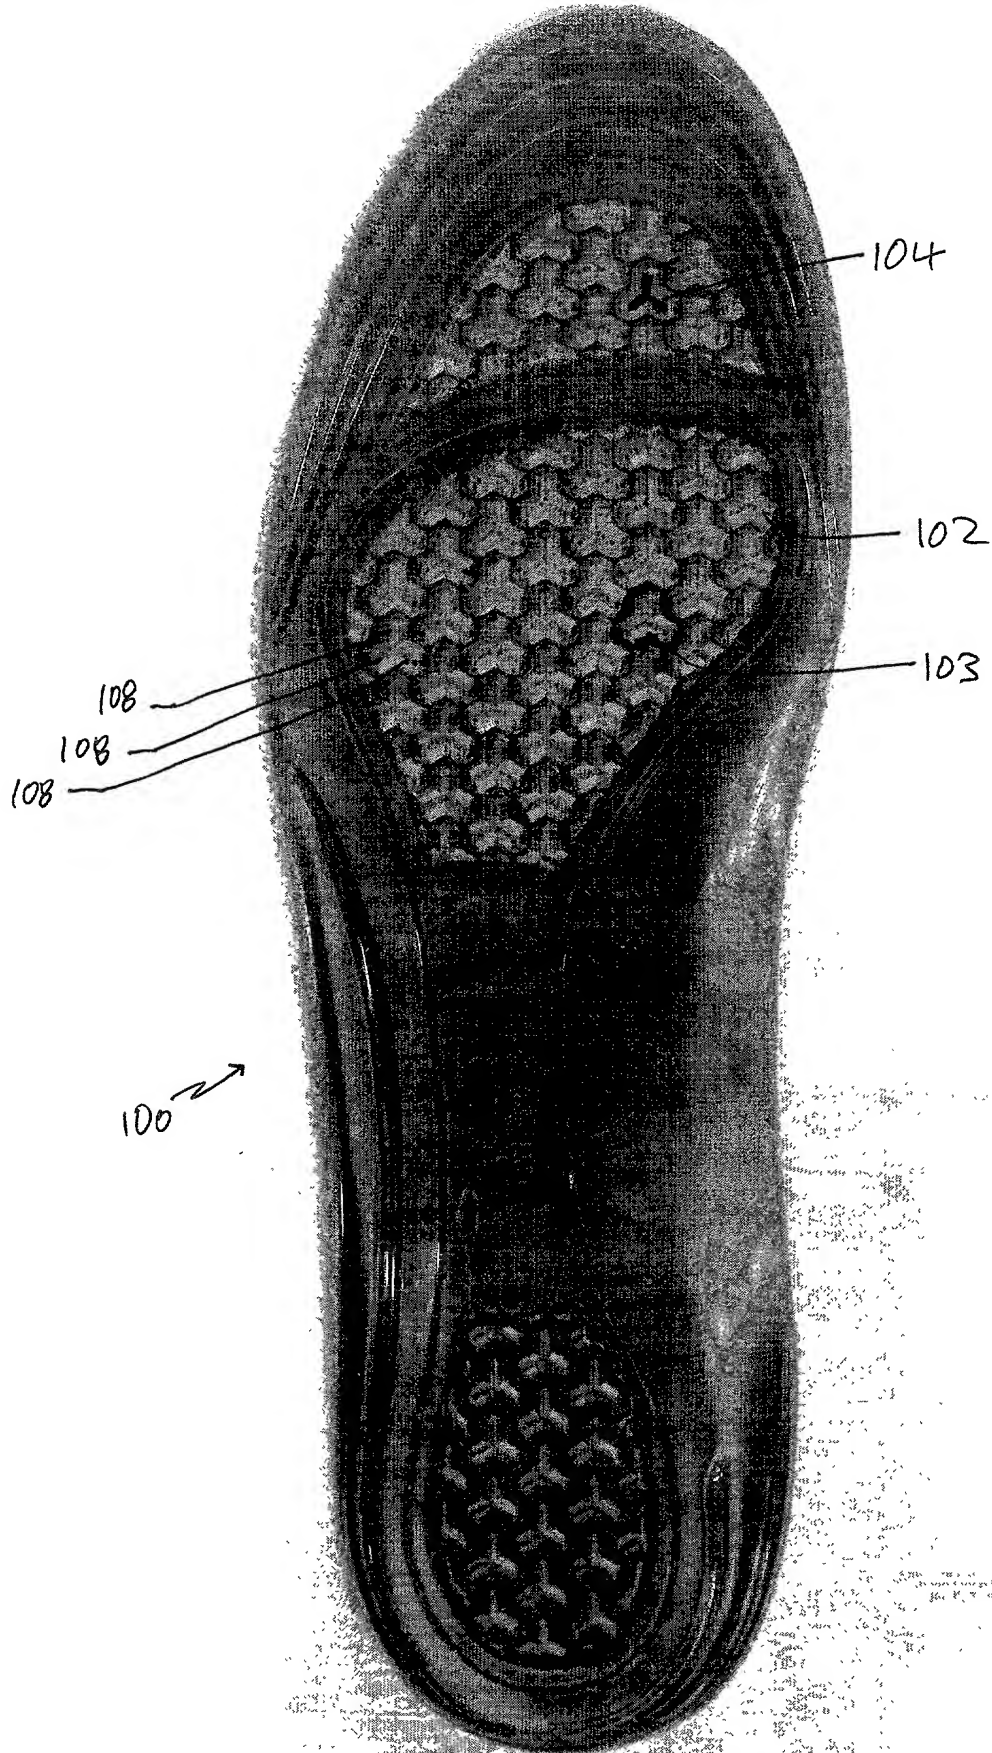

Fig. 2 is a side cross-sectional view of a shoe sole assembly 200. The sole assembly includes a heel portion 210 and a forefoot portion 212. The heel portion 210 contains a grid of rectangular elements 214, with a layer 208 above it and a layer 206 below it. The forefoot portion 212 also contains a grid of rectangular elements 214, with a layer 204 above it. The sole assembly is shown within a shoe upper 202. Dimensions 'a' and 'b' are indicated.
